2.

6.

Kit Standard Bend Synchro
is a kit for retrofitting that upgrades your press brake
without reducing its original performance.

The Kit upgrades **only the safety** of your press brake,
but it covers all the aspect:
mechanical and electronic.

4.

5.

3.

**A certified retrofitting is the best solution if you want safety and performance,
but with a significant cost savings compared to buying a new press brake.**
